DATE: February 10, 2011

SUBJECT: Informal Conference, September 7, 2010

Pursuant to Commission Staff Notice, a telephonic informal conference ("IC") was held in this matter on September 7, 2010. The conference was attended by representatives of Kentucky Power and Commission staff. The purpose of the IC was to discuss items included in Kentucky Power's application labeled "Program Costs". Kentucky Power provided a breakdown of costs associated with four DSM programs in its September 16, 2010 response to a data request made during the telephonic IC.
